Callaway.
Feb. 8th 1909.

My Dearest:-

Howard was
over today, he too, like papa
thinks it best to get Hastings.
"So be it." Dear, believe
I have it all planned
out, well - now. —

Ben and I come down to Panama
together, early. Saturday P.M. (12:30)
and of course he will get through
with the Commercial Club and come
by and call ^{for} me, telling the ladies
that he is sorry but we have to be
going etc. - You drive ~~down~~ on as
far as the negro Baptist Church and
wait for me. and then Ben can
drive on by for Hastings - unless
Mr. Look will come.

We should leave Panama by
3:15 P.M. & get to Callaway 5:00. have
dinner and get back home by 8:30
I will possibly be down Thursday
that we may plan more fully. etc.
if you think necessary.

Darling, after Howard & papa left
conference Saturday night, two others

(Mrs) Crissie Crosby and Sylvester Singletary
~~are~~ asked to be excluded as we other
seven, on the same charge. so it
is that ten turned out nine. the
whole town, is muchly upset about
it. Do not know just how every
thing will turn out. but for the best
I'm sure. — I will not write more
tonight, but get out those papers cab,
Ever yours
William
